PREFERRED CATERERS

For over 26 years, **Feast on This** has crafted exceptional catering and event experiences driven by creativity, quality, and genuine hospitality. At a venue built on curiosity and discovery, we design events that spark the same sense of wonder blending seamless execution with imaginative, detail-driven experiences. From chef-curated menus to interactive food stations that invite guests to explore, taste, and engage, every element is designed to ignite connection and leave a lasting impression. Catering that pairs perfectly with the dynamic, hands-on energy of the Fleet Science Center.

Super Cocina brings the comfort and richness of home-style Mexican cooking to your next event. Since 1987, we've proudly served the Barrio Logan community with traditional guisados—slow-simmered stews and dishes inspired by the food you'd find in a Mexican home kitchen, not a factory line.

FLORISTS

We create flowers to add beauty to weddings, baby showers, and birthdays, but also to offer the smallest smile in the wake of loss. It is a humbling gift to be able to create artful arrangements for meaningful moments. Whatever the occasion - your graduation party or a random Wednesday morning - our team is here to help brighten your day.
